Newsletter No.21

Dear Parents/Caregivers

This is our final newsletter for 2017.

What a wonderful year it has been! As I reflect back on 2017 I feel a great sense of pride as to what the staff and students have achieved. I particularly want to thank all of the outstanding staff, teaching and non-teaching, we are so lucky to have at Mulga Street PS.

I feel very privileged to work with such a dedicated, professional team. Thank you to parents and families for your ongoing support throughout the year, particularly Governing Council and Parent Club. It is through such strong partnerships between school and home that we get the very best outcomes for our students. On Tuesday evening we officially farewelled our graduating Year 7 students, this was a wonderful evening and I congratulate not only our award winners but all students on their achievements throughout 2017. They will go on to High School and we wish them well for the future and hope that they will leave with happy memories of their time with us. Good luck to all of our graduating students.

Last night the kindy celebrated the completion of 2017 with their graduation ceremony and Christmas party and we look forward to working with the new families as their children commence school in 2018.

After a very complex and detailed process, the classes are now set, we may make minor changes in the new year if we feel the change is in the best interest of the child.

We wish you a very happy Christmas and safe new year and look forward to seeing you all back in January 2018.
